at Subramania

From the M.'s letter dated the 31.10.1935 it is seen that provisions for conducting the Barabazar Lanthanes at Subramanya are being supplied at present from day to day and that he has recommended that this system should be changed so that the said supplies may be made in two instalments. On his further communication of the 8th Nov 1935

NOTE—Contn Sheet.

he has stated that the status quo will prevail in future also, the temple manager being however consulted in preparing the daily incidents. This means that the existing practice of making supplies from day to day would be continued with the only change that the temple manager would be consulted in preparing the daily incidents. No further action seems therefore called for in the matter. The two letters will be recorded if approved.

This may be done.

SIR,

Re: the change in the arrangement for the supply of provisions for conducting the Karthikai Santarpane at Subrahmanya, South Kanara District.

I have the honor to forward herewith copy of letter No. D.5/35-36 dated the 24th October 1935 received from the Deputy Commissioner of Hassan District, re: the above with copies of the enclosures and to state that the Deputy Commissioner agrees with the views of the Temple Manager and recommends for reasons explained in his letter, the arrangement of supplying provisions to the temple manager, in two instalments instead of three as is now done to day as is now done.

2. The Deputy Commissioner has been requested to try the effect of this year and make a report as to how it works. Myself may come this time to Subrahmanya to supervise the Santarpane for a few days.

I have the honor to be,
Sir,
Your most obedient servant,

K. V. Anantaraman
Muzrai Commissioner.

Letter No. 546-35 dated 24-10-35 from the Deputy Commissioner, Kadur District, to the Muzrai Commissioner in Mysore.

Subject:- Change in the arrangement for the supply of provisions for the Parahazar Santarpane at Subrahmanya in the South Kanara District.

In forwarding herewith a copy of letter No.B.O.R.88/35 dated 5th Oct 1935 together with a copy of its enclosure received from the Secretary to Board of Trustees of Kukke Sri Subrahmanya temple at Subrahmanya, on the a subject, I have the honor to state that the Secretary requests that effect may be given to the resolutions passed by the Board in its meeting held o 21st September 1935 that the provisions required for Parahazar Santarpane be given to the Manager of the temple in two instalments, once on the fir day of the Santarpane so as to last for the first 12 days and a second ti on the 13th day so as to last till the end of the jatra for a week more a that the temple authorities may be given a free hand to decide the quanti of provisions required for each day's Santarpane, without any interferenc from the officers of Mysore Government in the matter. The Secretary stat that if effect could not be given to the above resolution, the temple aut ities may be relieved of all responsibility in the matter of the conduct Parahazar Santarpane and that it may entirely be managed and looked after officials of Mysore Government.

In In this connection, I have to submit that according to the arrang ments sanctioned in G.O.No.2676-80/Muz.174-07 dated 6th May 1910, the nec quantity required for feeding persons that resort to Subrahmanya during t jatra are given to the temple and Mutt authorities within the prescribed by our officers deputed ~~by~~ for the purpose who should supervise the satis factory conduct of the feeding arrangements there. The supply of provisi required for each day is made by our officers every day and the Manager o the temple gets the food cooked and served to persons that attend the San pane The temple and Mutt are situated in the midst of a thick forest outs the Mysore State and there is no separate accommodation for the preparati of food and conduct of Santarpane by our officers. Moreover, it would n be possible for our officers to conduct the Santarpane satisfactorily i this out of the way place without the full co-operation of the local auth ties.

As the Secretary of the Board requested that orders in respect of resolution passed by the Board might be passed before the Parahazar Santa pane of this year which commences on 23rd November 1935 and as he also suggested a personal discussion, I have arranged for the holding of

facts the manager repirts to us that reports were sent to the higher authorities of the Mysore Government that there were surplus preparations. We are simply surprised at the audacity of such reports. I should not be so very sure of the situation, but for the fact that two of the members of the Board of Trustees personally know of this incident, namely Mr. P. C. Holla and Mr. U. Subraya Hebbar and the whole gathering also knows about it.

I do not wish to multiply incidents. The manager of the temple reports that the situation is getting worse year after year and the lower officials behave badly and irresponsibly without realizing the seriousness of the situation. I may also point out that the manager is able to conduct the affairs and the Samardhana in the temple all the year round and it is only during the short period when provisions are supplied by your Government that difficulties arise. I do not wish to say anything more about the present manager, his capacity and efficiency, but I may add that he has earned a good name from the public and he has been able to appeal to the public for funds and build 4 substantial chattram buildings. The Board of Trustees have also found him quite satisfactory and he is not a person who would unnecessarily complain about others.

In view of these facts, may I request you to give effect to the resolution passed by the Board of Trusttes and direct the Mysore officials to give the provisions to the Mysore Manager as mentioned therein.

If this is not possible, our manager has requested us to beg you to relieve him of all responsibility in the matter of Barahazar Santarpana. The whole matter of getting the food cooked and served may entirely be managed and looked after by your officials.

The Barahazar Santarpana of this year is fast approaching and hence I request that this may be considered at your earliest convenience and orders passed. If you think any useful purpose would be served by a personal talk over this matter/I shall be glad to meet you and discuss the matter at a time and place to be fixed by you with sufficiently long notice to enable me to go over there. It would also be better if the officials that come to Subrahmanya are present at the occasion. I shall ask the manager also to be present.

Expecting an early reply in the matter.

SIR,

Re: the change in the arrangements for the supply of provisions for conducting the Brahmotsava Santarpane at Subrahmanya in the South Kanara district.

In continuation of this office letter No. C 546/35-36 dated 31st October 1935 re: the above, I have the honor to forward herewith for the information of Government, a copy of letter No. C 546/35-36 dated 5th November 1935 from the Deputy Commissioner, Mangalore stating that as a result of the meeting held on the 2nd instant, the status quo will prevail in future also, the local Muzrai Board however consulted in preparing the daily indents.

I have the honor to be,

Sir,

Your most obedient servant,

N. Madhava Rao

Muzrai Commissioner.

Letter No.C.646-35 dated 5-11-35 from the Deputy Commissioner, Kanara District, to the Muzrai Commissioner in Mysore.

Subject:- Re. the change in the arrangement for the supply of provision for conducting the Parahamar Santarpane at Subrahmanya in the South Kanara District.

With reference to your Memo No.C.546/35-36 dated 30th October 1935, forwarding a copy of letter No.C.546/35-36 dated 30-10-35 addressed to the Secretary to Government, General Department, on the above subject, I have the honor to state that I convened a meeting of the marginally noted officer and non-official members on 3-11-1935 at Saklespur to consider the question of the issue of provisions to the manager of the Sri Subrahmanyaswami temple at Subrahmanya in the South Kanara District for conducting the Parahamar Santarpane in two instalments, instead of from day to day as is now done and they all unanimously arrived at the following arrangement and a copy of the proceedings is herein enclosed for your information.

1. Revenue Sub Division Officer, Saklespur.
2. In-charge Amildar, Manjarabad Taluk.
3. Mr. Idya Vasudevaiah, President, Board of Trustees of Sri Subrahmanyaswami temple.
4. Mr. K. R. Achar.
5. " Malali Venkataramaiya, Member of the Board of Trustees of the Sri Subrahmanyaswami temple.
6. " K. Vyasa Rao, Manager of the Sri Subrahmanyaswami Temple.

"The daily indents should be prepared the previous evening in consultation with the manager of the Sri Subrahmanyaswami Temple, and supplies made in accordance with the indents and their utilisation supervised as per mamool. On the Chowthi, Panchami, Shasti and Sapthami days, the supplies should be such as to leave a margin for unexpected rush."

It will be seen from the above, that the mamool arrangements about the issue of provisions to the temple manager from day to day will continue in future also. The only change in the present arrangement will be that in preparing the daily indents, the manager of the temple will be consulted.

As an amicable agreement has been arrived at, I shall depute the Sub Division Officer, Saklespur, to supervise the Santarpane on important days if you are agreeable to it.
